Re: San Francisco Crime Laboratory Technician Deborah Madden

Our office recently became aware of a misdemeanor conviction suffered by Ms. Madden. Attached is a copy of the original Belmont Police Department report regarding that incident, along with a copy of page one of the San Mateo Superior Court minutes, which shows the verdicts associated with that arrest.

Also attached is a copy of an ASCLD/LAB Inspection report dated November 17-20, 2009.

If you have any cases that you believe should be reviewed in light of the foregoing, please e-mail Assistant District Attorney, Jeff Ross Chief of the Criminal Division at [SFDAInquiry@sfgov.org](mailto:SFDAInquiry@sfgov.org).

Very truly yours,
