

8th Annual National Criminal Trial Advocacy Competition

Promotional Opportunities

CACJ's annual NCTAC has quickly become known for its excellence and our competitors hail from some of the best trial advocacy programs in the nation. Both the fact pattern and judging have been acclaimed as exemplars of what a national competition should include. Every year, federal and state judges as well as some of the most skilled criminal trial lawyers in California volunteer to judge this competition. The fact pattern provides competitors with the opportunity to prepare and hone their trial skills using case materials modeled on a real-world criminal case file. This year's competition will be held at the Federal District Courthouse and the final round will be held at UC Hastings College of the Law, located in the Civic Center area of San Francisco.
